The technical drawing illustrates a mechanical component with two views: a front view (top) and a side view (bottom). The front view shows a rectangular part with a central hole and four vertical slots. Key dimensions and features include:

- Overall Width:** 6.60
- Central Hole Diameter:** $\phi 0.7 \pm 0.03$
- Slot Widths:** 0.10 B (indicated by feature control frames)
- Surface Finish:** Symbols indicating different surface treatments, such as $R_a 0.08$ and $R_a 0.05$.
- Tolerances:** Dimensional tolerances like ± 0.05 and ± 0.03 are specified.

The side view shows the profile of the part, highlighting its thickness and internal features. Key dimensions and features include:

- Thickness:** 2-3.00
- Internal Features:** Dimensions like 2-2.50 and 2.50 indicate specific internal structures or offsets.
- Surface Finish:** Similar surface finish symbols are used to specify requirements on the side surfaces.
